

EXTRACTS FROM DAILY PRESS CONTACT REPORTS

16 July 1965

Mrs. Peterson of MGM Movies called and talked to [redacted] on 15 July 1965, saying that they were doing research for a movie to be produced under the title "Ice Station Zebra," in which two fictional CIA agents named "Carpenter" and "Hoffman" are to appear. She said if we had any agents by these names they would change them. Told her as a matter of policy this Agency cannot be of any help in the production of movies.

Mrs. Jean Peterson of MGM Movies called on 3 August 1965 and talked to Col. S.J. Grogan. She said that MGM is making a movie and has fictitious names of agents and does not want to use names believed to be fictitious and then have it revealed that such names belong to CIA agents. Legal and moral reasons cause request that CIA check names. I told her to make a request in writing, and she said that she will do it.
